Use of your phone outside of Israel, roaming off the cellular network and or calls placed via incorrect local or international access numbers will result in a higher per-minute charge. All calls placed from your phone are the responsibility of the customer until the phone is returned to the IsraelPhones office or reported lost/stolen to IsraelPhones and the cellular carrier. Voicemail is billed as a regular airtime and outgoing text messages are never free. An itemized bill will be sent to the email address on file. It is the customer's responsibility to update IsraelPhones of a change in email address, and inform IsraelPhones if you do not receive your itemized bill. If you are not receiving the designated international discount number credit, you must inform IsraelPhones within 30 days of the end of the current billing cycle to receive a retroactive credit. All bills will be considered final and correct unless reported to IsraelPhones within 30 days of the end of the current billing cycle. $100 authorization will be held on your credit card for a period of 30 days.
