## COVID TREATMENT HEALTH INSURANCE REQUIRED FOR ENTRY TO SOME DESTINATIONS

Travel insurance is not included in the cost of your travel arrangements but is recommended. It is a time sensitive matter and always an important consideration when traveling. It has become more important now than in the past as we all become anxious to resume traveling. As countries welcome back tourism, ***Israel currently requires tourists to have travel health insurance with Covid Care Coverage in Israel.***

JDI Travel does ***not*** sell or include travel insurance with our products but recommends it. Please contact your insurance carrier(s) for recommended insurance options best suited for your travel needs. There are multiple travel insurance options however we recommend contacting travel insurance companies directly to clarify coverage and costs before purchasing insurance.

Some trusted names in the travel insurance industry that currently offer Covid coverage are noted. These companies nor their products are endorsed by JDI Travel but are presented for your convenience and your subjective consideration. They are by no means a complete list of options.

Enjoy your travels and travel safely!
